#### *Misprints, Corrections & Omissions*

This is not meant to be a definitive summary of our 1<sup>st</sup> 80 years but an example (albeit in rough bullet points) of the type of information we want to ensure is documented within our club's archives. We anticipate that Wisdene will remain our book of both personal & club records and that over the next few years we will be able to cross reference Wisdene to a formal history of Deepdene dating back to our formation in 1920. (please see the first draft that relates to our formative seasons leading to our 1st premiership)

We need your help on three fronts. We need you to let us know where we have got it wrong, as the detail is important. Please don't rely on someone else drawing it to the editors' attention. In addition, the club also needs a few passionate volunteer historians who are interested in taking responsibility for researching & documenting a period in our history (perhaps a decade - even the current one). Luckily we have a sound starting point with the work that our club historians have documented in "**The First**" 40, 50, 60 & 70 year publications. Similarly, Wisdene will form the basis of many legendary tales. Lastly we are anxious to acquire ant memorabilia or supporting factual documentation that will help piece the D.B.C.C. jigsaw together.

Our goal is to be able to fully document the rich history of the Deepdene Bears Cricket club, as we approach our 100 year anniversary. Please contact Greg Molloy or current researchers & statisticians Michael Hudson, Greg Fisher.

## Preface to 2001/2002 Edition

Welcome to the New Millennium Edition of Wisdene. There have been two seasons since the last edition of Wisdene went to print so all new entries relating to these 2 years will be displayed in ***bold italic print***. We have been fortunate to locate missing North Kew CC scorebooks and also the Deepdene CC Annual Reports from 1965/66 and 1966/67 seasons. If you have any reports/scorebooks/etc not mentioned in the bibliography detailed at the back of this publication or you may question some of the material, or just some additional information regarding our Club's history, please let me know.

New Sections have been added or previous ones enhanced to make Wisdene an even more enjoyable read. Our Club announced and celebrated its Team of the Century during the 1999/2000 season which is now detailed in this edition. We have also completed our most successful decade as reflected in the number of premierships including the dual premiership season for our 3<sup>rd</sup> & 4<sup>th</sup> XI in season 2001/2002.

Special thanks to Greg Fisher for all his help and research towards this special edition of Wisdene and to my wife Michelle for her support and putting up with the many scorebooks, annual reports scattered throughout the house over the last few months.

Enjoy!  
Greg Molloy

## Preface to 1999/2000 Edition

In the couple of years since the last edition and Wisdene, a lot of changes have happened to the Club in such a short time. This includes the Wisdene growing from 80 pages to 106 pages with new sections included for the first time such as DBCC players who have represented the ECA/ESCA and other association teams ; ECA/ESCA batting and bowling averages winners etc. We have discovered scorebooks from the North Kew Cricket Club but still the majority of these books are missing.

As part of the 80<sup>th</sup> Anniversary of the Club's formation in 1920/21, plenty of research has gone into our history especially the 1920's & 30's. Proudly, we have located previously unrecorded detailed data from newspaper articles / photos, ESCA Annual Reports and Club memorabilia from past players and their families who made available these valuable items for the Club to record and copy.

As, part of all this work into the Club's history, we have included a brief 'Chronology' of these 80 years to reflect our past glories and also a few items of interest that corresponded around these times.

Of course, as mentioned in previous editions of Wisdene, we won't have the full details due to lack of resources. However, if you can provide us with any further source documents not mentioned in the Bibliography or question some entries in this publication, we would be happy to follow them up as best as we can possible.

Please enjoy reading this Edition and any contributions you may have will be appreciated.

Greg Molloy / Greg Fisher

## Preface to 1998 Edition

The 1997/98 was the first year of the new Deepdene Bears Cricket Club resulting from the merger of the North Kew Cricket Club and Deepdene Cricket Club. The new Club fielded six senior teams for the season, which has allowed even more great team and individual performances to be recorded in the Wisdene Bible.

Unfortunately, this edition of Wisdene does not include any individual records from the North Kew Cricket as most of that club's scorebooks from previous years could not be located.

However, this has not stopped many of the former North Kew players from entering Wisdene as many of them set new Deepdene records with bat & ball. In fact, one of the few categories that could not be updated this year was the Premiership table as none of our 6 teams won a flag. Hopefully this can be corrected in 1998-99 and I will have great pleasure of updating our premiership wins upon the completion of the next season.

In an ongoing effort to improve Wisdene, we would like investigate any queries of misinformation, omissions or ideas that you may have picked up while perusing this document (eg approximately what season and grade you remember your team . Any supporting documents (eg Annual Reports) should be sent to the Club Secretary to follow up.

Enjoy!  
Greg Molloy

### **Preface to the 1997 Edition**

It is now a goal for the Deepdene Cricket Club to issue the Wisdene annually. This will not only to inform readers of the latest records, triumphs and trivia of the Deepdene Cricket Club but also reduce any room for omissions or errors in this publication which may occur when researching multiple seasons at a time.

As mentioned in previously, in an ongoing effort to improve Wisdene, we would like investigate any queries of misinformation, omissions or ideas that you may have picked up while perusing this document. Any supporting documents (eg Annual Reports) should be sent to the Club Secretary to follow up.

Enjoy your reading.

Greg Molloy

### **Preface to the 1996 Edition**

It has now been four years since the Wisdene has been updated and in that time, Deepdene have added three premierships to their tally. Again, this club has had many superb team performances in this period including outstanding individual efforts which have all been recorded in this update.

As predicted in the Preface to the 1992 Edition, the Wisdene has increased substantially increased with the 4th XI competing (and subsequently became premiers) of E Grade Non-turf and D Grading Non-turf since the last Wisdene update.

Unfortunately, the 4th XI has folded due to lack of numbers but their successful, though brief, record is now included in this edition. Wisdene has increased by fourteen pages initially to accommodate the 4th XI statistics but also spacing different statistics to make it easier to read.

I hope this edition of Wisdene continues to be read with interest and enjoyment in the tradition the previous editions created.

In the ongoing effort to improve Wisdene, we would like investigate any queries of misinformation of omissions that may be missing. Any supporting documents (eg Annual Reports) should be sent to the Club Secretary to follow up.

Thanks to Greg and Paul Molloy for their assistance with this project.

Kevin Hanson.

### **Preface to the 1992 Edition**

Rob Merriel and Michael Cosgrave must have been mad. Just updating Wisdene for three years is a large task, let alone creating new sections.

The concentration in this edition is an updating of records only, and hopefully in the future this will be made easier via the development of a database of current player career history. This database is to be updated at the end of each season.

The information in Wisdene is continually growing and the introduction of an E Grade Non-turf team in 1992-1993 as well as being in A Grade Non-turf for the first time will mean the next editions records will increase massively.

I look forward to the enjoyment and arguments readers of Wisdene have, and am happy to receive comments on inclusions (or exclusions) at any stage.

Thanks to Andrew Livingstone for his support with this project.

Kevin Hanson.

### Preface to the 1989 Edition

Taking over the compilation of Wisdene from Rob Merriel was always going to be a daunting task. There was a bit of work involved in updating the last two years, which made me realise what an enormous effort Rob must have put in to the original edition.

As well as adding the surprising number of new records for this edition (not just 10 new partnership records for B Non-turf!) I have inserted the following new categories:

- Most games in a career
- Most runs in a career
- Most wickets in a career
- Most instances of 5 wickets in an innings
- Most dismissals in a career by a wicket keeper / fieldsman
- Worst running between wickets (who could ever forget this one).

It must be noted before those on the hill and other stalwarts of the fifties and sixties get too upset that the career figures are not complete for these players due to the inability to locate any records prior to the 1956-57, or the year 1958-59.

In addition, difficulties have been caused by the discovery of partial records for the 1966-67 season which may cause some inconsistencies. The annual report for that season which has turned up since the last edition was produced. Whilst the highlights are recorded (eg. One G. Cousins scored one century and two fifties) the usual seasons averages do not appear. I have therefore added the performance figures to the records (century, fifty, 5 wickets in an innings) but not included them in the career aggregate figures (eg. games, runs, wickets, catches). It makes you wonder how many wickets Ronnie Laws took in his whole career.

The wicket keeping records have also been substantially updated (surprise, surprise!) as has the "pairs" entry. Heaps of them in the sixties, but only one in the past five years - wonder who that was!!

Any suggestions for new entries would be gratefully received.

Many thanks to Mike Hudson for arranging the typing and printing of this edition.

Michael Cosgrave.

### Preface to the 1987 Edition

This is the first major update to Wisdene. It incorporates the records up until the end of the 1986-87 season. It also includes the many record breaking performances of the past seasons that were pointed out to me following the debut of the Deepdene Cricketers' Almanac.

The scorebooks and DBCC Annual Reports that were missing in the original compilation of Wisdene have yet to be located. If any reader knows where I can locate the missing records or copies of them, please contact myself or any other DBCC Committee Member.

I must thank Mick Cosgrave (an avid Wisden and Wisdene reader) for proof reading this Edition. Mick suggested that I include his record as the wicket keeper who has missed the most stumpings in the Club's 68 year history but I decided to keep it quiet. Many thanks to Phil MacIsaac for arranging the printing and binding of this Edition.

Rob Merriel.

### Preface to the Original Edition

Compiled by Robert Merriel to the end of the 1983-84 season. All records apply only to Eastern Suburban Cricket Association (ESCA) matches. Performances in the ESCA Junior Competition are not included in this edition.

The records used to compile Wisdene are all the scorebooks currently available to the Club. They are the books for both the First and Second Eleven's for seasons 1983-84 back to 1964-65 (except either book for the 1966-67 season which cannot be located). In addition I have used the Deepdene Cricket Club Annual Reports covering 1956-57 through to 1983-84 (except 1958-59, 1965-66 and 1966-67, copies of which cannot be located). This is the first of many editions of Wisdene. Because it is the first edition it should be enlightening, but inevitably it will give rise to a number of arguments. If you believe that a record has been left out or overlooked and you wish to argue your case, then you are more than welcome. The handwriting of DBCC scorers varies greatly, along with their methods of scoring, so feel free to argue with the records presented here. The author would appreciate written arguments that can be compared with the official records. But also remember, while a glass or two of the amber liquid can magically change a forty into a fifty, the scorebooks don't exaggerate.

Many thanks to my wife, Karen, for putting up with the DBCC scorebooks piled on the dining room table. Another in the long line of silently suffering cricket widows.

Rob Merriel

First ball of the innings!! A lovely shot by Sturgess to deep mid wicket. An easy couple. A third perhaps? Oh no! Sturgess run out going for a fourth. Any suggestion of a mid-wicket collision must surely be brought on by too much amber fluid.

R. Vines had his first three balls against Burwood in A Turf during 1984/85 hit for 6-4-6. A forgiving captain gave him two more overs and he finished with 0/22.

**Worst Bowling By DBCC**

1-65 after 5 overs. With A. Watt, G. Johnson and A. Bell bowling, this was totally understandable.

A Turf V      Glen Iris      1980/81

Chasing 134, DBCC lodged an official protest. Play did not start until 2:25pm at Glen Iris on the second day due to a wet patch on the wicket, just short of a good length. Despite the bright sunny conditions and the dry ground, there were the remains of an ice-block on the wicket.

DBCC made 6/158 with C. Day top scoring with 42 not out.

**Weird**

- Camberwell started their second innings at 5.50pm, and after playing one ball the batsman appealed against the light, stating a tree at the back of the bowler's arm was a problem. The two umpires conferred, after which one of them borrowed a bat, took guard at the wicket and asked the bowler to "send one down". He smartly dispatched the ball to the boundary, whereupon normal play resumed until 6 o'clock.

*Camberwell vs Deepdene at Stradbroke Park 1946*

- G. Johnson was the Captain of the Senior Turf side during 1978/79. He played all 12 games but did not bowl himself once. Unbelievable.

- On 23/2/91, G. Keys and C. Day opened the bowling for DBCC B Turf V Richmond City and at 5:50pm, opened the batting together.

- In a one day game V ANZ Bank on 1/2/92, DBCC's C Turf team dismissed the opposition for 112 which included 6 run outs. S. Day was involved in all of them. The following season against the same team DBCC dismissed the opposition for 120 which included 5 runouts.

- David Finn has made 6 fifty's for the club. The unique thing is that it has been over 5 decades, one in the 60's, one in the 70's, one in the 80's and one in the 90's. It wasn't until the turn of the century that David broke off the shackles and score two fifty's in the 00's.

- On 23/11/96 in the A Non-turf V STC game, No. 9 batsman Abiq Sengupta hit ten catches to opposition's fieldsmen of all which were put to ground including four chances off consecutive deliveries. His innings came to an end when he was stumped for 32.

**1924/25 Season**

A Weatherboard pavilion was built by the council in June/July 1924 for use by the cricket and football clubs, and the ground was officially opened on August 30, 1924 with much fanfare. The 2<sup>nd</sup> XI were promoted to B Grade matting. Les Carbars was elected to represent Deepdene in the ESCA.

This was a big season for the club, Perce Gray was given the captaincy and Arthur Latham would become vice captain and offer his years of experience to Perce.

*The Deepdene Club (1<sup>st</sup> XI) put up their best knock of the season and secured a place in the finals by beating St. Johns, Hawthorn last Saturday. The scores were - St Johns 178 (Brown 78), Deepdene 225 (A Latham 56, E Lilburne 56, P Harris 29).*

*(Hawthorn Citizen, Saturday March 21, 1925)*

This was a very successful season for the club with Deepdene's first XI (A Grade) defeating Camberwell CYMS outright after being behind in the first innings. The Game was played at Highfield Park over 4 Saturdays. (April 11, 18, 25 & May 2).

## CRICKET FINALS

The last of the E.S.C.A. finals were played last Saturday, when ground conditions caused some anxiety in the Turf Second Grade match between ASHBURTON and KEW.

Deepdene, First Grade Turf, are now premiers of that division, after only 60 minutes' batting last Saturday without loss to score the required 62 runs.

Great Eastern Mill (Hole-proof) had only 40 runs to make to gain Matting Second Grade Honors, and with 4 wickets down in the attempt ran out easy victors.

### DETAILS.

#### Turf First Grade.

DEEPDENE 112 and 0/62  
 (Nicholls 63, and 40 n.o., A. Harrison 24, Emerson 18 n.o., Hubbert 5/33, Kemp 4/50) d.  
 NTH. BALWYN 130 and 43  
 (H. Britt 9/42, Holloway 6/46).

Requiring 62 to win, Deepdene commenced their second innings on an easy wicket in very uncertain weather.

Bill Nicholls and Arthur Emerson opened to accurate bowling of Jack Hubbert, Noel McArthur, and Harold Kemp.

It was soon apparent that the wicket was unsympathetic to the bowlers, and in less than 60 minutes' play the batsmen quickly scored the necessary runs without loss; to give Deepdene victory and the premiership.

Nth. Balwyn C.C. wish to apologise for omitting a tribute to Umpires Young and Millard in this game; their work was excellent and sincere.

## Michael Curran Memorial Trophy Winners

Mr and Mrs E. Curran present a memorial Trophy each season in memory of their son, Michael, one of the clubs most promising junior players who died as a result of injuries received in a car accident in 1967.

**Awarded to the Best Clubman based on enthusiasm and endeavour, in activities both on and off the field.**

Michael is remembered as the “A” typical classic left hand bat. He was a stylish top order batsman and brilliant cover fieldsman. During his brief career in the mid 60’s Michael posted 2 Deepdene half centuries and won the H.C. Stanford Fielding Trophy as a teenager in his 1st XI debut season; 1965/66.

Not only did Michael capture the Deepdene selectors’ attention; Michael represented E.S.C.A. in the Inter Association Under 23 Series in Feb 1967. This included games against Ringwood, Jika, E.S.Churches and Essendon & Broadmeadows Associations.

Whilst his Deepdene career was short, he is remembered in this trophy and in the legacy provided by every subsequent winner.

### **Tim Norton Shield – Veterans competition**

This award is named in recognition of the many years of work and dedication given to our Club by Tim Norton including 7 years as President from 2004/05 to 2010/11. During his reign, Tim established Deepdene Bears Veterans teams to participate in this competitive veterans competition with a focus of the vets campaign was to get past legends, parents of juniors and new (old) blokes to the club and keep playing the game they loved. The DBCC Veterans teams have been going strong since their first season of 2006/2007.

Averages don't mean much with these limited over games that include retirements so we instituted a Brownlow style 3/2/1 voting system for this award.
